

# Fact-Checking Report: Claim of India Banning XYZ Platform

**Verdict: LIKELY\_FALSE**

## Executive Summary

This report investigates the claim that India will ban the XYZ platform. Based on available evidence, including official statements and news reports, the claim is assessed as likely false, with a high degree of confidence.

## Key Findings

- A rumor of a ban on the XYZ platform originated on Twitter on November 20, 2025.
- The Ministry issued an official statement denying the impending ban.
- A reputable news report corroborated the Ministry's denial.
- The primary supporting evidence consists of a single viral tweet, lacking credible backing.
